

Volunteer Sign-Up Sheet

Mrs. Freeland's Classroom

Dear Parents,

Thank you for taking the time to look at and fill out the volunteer form for our classroom. This is a wonderful opportunity to get involved in the various classroom activities that will occur throughout the year. If more opportunities arise, I will contact our room parents, Lina Attar and Robin Gapinski to help coordinate parent volunteers. Thank you again for your interest and time. Lina & Robin will notify you of your volunteer opportunities in the next few weeks. They will also contact you to remind you of your responsibilities prior to your volunteered time. If you are unable to make your commitment, please find another volunteer to cover your spot and let Mrs. Freeland know about the change. We look forward to having you help us!

Please return the sign-up sheet to school by: Friday, September 25th

If you have any questions regarding this sign-up opportunities, please feel free to contact our room parents.
